### The Gathering Field Makes It's Internet Debut!

One of the best releases of the year.  
 [Four Stars - highest rating]  
 - *Pittsburgh's Rock and Roll Reporter, November, 1994*

The Gathering Field's debut CD is a fine, thoughtful and sweet sounding release from a group of very talented musicians. If your favorite radio station isn't playing this, it's time for you to make a phone call.  
 - *BackFlash Magazine, Rochester, NY June, 1995*

Their debut album features original, progressive, folk rock in the style of *Counting Crows, Matthew Sweet, the Bodensees, and Hootie and the Blowfish*. The band has opened for *Toad the Wet Sprocket, Over the Rhine, The Cadillac Band, and Blue Rodeo*, among others.
