Case CBM2013-00020  
Patent 5,191,573

---

Before the Honorable MICHAEL P. TIERNEY, JUSTIN T. ARBES, and  
GEORGIANNA W. BRADEN,  
*Administrative Patent Judges.*

**UNOPPOSED MOTION TO EXPUNGE AND REPLACE EXHIBITS 4255  
AND 4258 IN COVERED BUSINESS METHOD REVIEW OF U.S.  
PATENT NO. 5,191,573**

As authorized by the Patent Trial and Appeal Board in a March 28, 2014 email from the Board's Paralegal Operations Manager, Petitioner Apple Inc. ("Petitioner") respectfully submits this Unopposed Motion To Expunge and Replace Exhibits 4255 and 4258 in Covered Business Method Review of U.S. Patent No. 5,191,573 to correct an inadvertent error in the numbering of Exhibits 4255 and 4258.

On March 21, 2014, Petitioner filed a Reply and exhibits in support thereof in this matter, CBM2013-00020. Thereafter, Petitioner discovered that Exhibits 4255

and 4258 were inadvertently labeled and filed with incorrect exhibit numbers that switched the two exhibits. (In other words, the document that was labeled and filed as Exhibit 4255 should have been labeled and filed as Exhibit 4258, and the document that was labeled and filed as Exhibit 4258 should have been labeled and filed as Exhibit 4255.)

Pursuant to the Board's authorization noted above, Petitioner respectfully requests that the Board expunge and permit Petitioner to replace the versions of Exhibit 4255 and 4258 currently on file with the corrected Exhibits 4255 and 4258, reflecting the corrected exhibit number labels, and submitted herewith. Both documents have unchanged in content, and both documents conform to the requirements of 37 C.F.R. §§ 42.6 and 42.63.

Patent Owner SightSound Technologies, LLC has stated that it does not oppose the relief sought in this motion.

Respectfully submitted,

Dated: April 1, 2014
