UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

APPLE INC.,

Petitioner,

v.

SIGHTSOUND TECHNOLOGIES, LLC,

Patent Owner.

Case CBM2013-00023

Patent 5,966,440

**UNOPPOSED MOTION TO EXPUNGE AND
FILE CORRECTED EXHIBITS 2324 AND 2375**

As authorized by the Patent Trial and Appeal Board (“Board”) in an April 18, 2014 email from a Paralegal Specialist of the Board, Patent Owner SightSound Technologies, LLC (“Patent Owner”) respectfully submits this Unopposed Motion to Expunge and File Corrected Exhibits 2324 and 2375 and thereby requests that the Board: (1) expunge Exhibits 2324 and 2375 from the record, and (2) file in their place corrected Exhibits 2324 and 2375.

Patent Owner discovered inadvertent formatting issues with Exhibit 2324 that resulted in small portions of omitted text and missing pages from the deposition exhibits. Patent Owner attempted to correct such issues by incorrectly filing a corrected version of Exhibit 2324 on January 24, 2014 as supplemental evidence to Petitioner Apple Inc.’s First Set of Objections. *See* Ex. 2355 (expunged). The Board subsequently expunged the corrected version of Exhibit 2324.

Patent Owner filed its Motion to Exclude and related Exhibits on April 4, 2014. Shortly thereafter, Patent Owner received a revised transcript of the deposition of Lawrence Kenswil (Ex. 2375), which corrected an inadvertent transcription error: on page 44, line 13 and page 44, line 24, the word “invention” was inadvertently transcribed as “intention.”

Patent Owner respectfully requests, in accordance with the Board’s authorization, that the Board: (1) expunge Exhibits 2324 and 2375 from the record;

and (2) file in their place corrected Exhibits 2324 and 2375, submitted herewith.

Counsel for Petitioner Apple Inc. does not oppose the present Motion.

Dated: April 18, 2014

Respectfully submitted,

By: /David R. Marsh/
