Conduct of the Proceedings
37 C.F.R. § 42.5(c)(1)

¹ This order addresses an issue that is identical in all three cases. Therefore, we exercise discretion to issue one order to be filed in each of the three cases. The parties, however, are not authorized to use this style heading in subsequent papers since doing so may cause confusion.

The change is being made because of an unavoidable conflict. An Order on Oral Hearing will follow, upon request by either party for oral hearing, setting out the particulars of the oral hearing. Any conflicts raised by the parties because of the change in the date will be considered, but the parties are reminded that space and scheduling limitations can make accommodations difficult.

In consideration of the foregoing, it is hereby:
