

“Travel Related Item”

1. Consider the perspective of a person of ordinary skill in the metasearching art in 2000 who has read substitute claim 13 in light of Mr. Lunenfeld’s Feb. 22, 2000 patent application (the “skilled artisan”).

2. The question the skilled artisan considers is whether the item listed is a “travel related item” as that phrase is used in this claim.

3. A “Yes” means that the skilled artisan would be certain that the item is a “travel related item.” A “No” means that the skilled artisan would be certain that the item is not a “travel related item.” A “Maybe” means that the skilled artisan would be not be certain either way.
