COMPLAINT

Plaintiff Career Destination Development, LLC, through its undersigned attorneys of record, files this Complaint against defendant Indeed, Inc., and states and alleges as follows:

INTRODUCTION

1. This is a lawsuit for patent infringement.
2. This lawsuit stems from the flagrant theft of valuable intellectual property belonging to Career Destination Development, LLC (“Career Destination” or “Plaintiff”).
3. This intellectual property consists of the specifications for a unique type of employment posting and searching website.
4. This employment posting and searching website allows employers and potential employees to post and search job postings and make application for employment.
5. Marc Vianello (“Vianello”) developed the specifications for this website through years of painstaking research and experimentation, ultimately securing multiple United States patents. He assigned his interest in these patents to Career Destination, a company he formed for the purpose of commercializing this type of technology.

6. In complete disregard for Career Destination's intellectual property rights, defendant Indeed, Inc. ("Indeed" or "Defendant") put forth Vianello's invention as its own, seeking to profit from Vianello's efforts without giving him credit or compensation.

7. Defendant's actions have infringed and continue to infringe on Vianello's patents.

8. Accordingly, at a minimum, Career Destination seeks a reasonable royalty, together with such other and further relief is available under 35 U.S.C. § 285.

PARTIES

9. Career Destination is a limited liability company organized and existing under the laws of the State of Kansas with a registered office at 5209 West 83rd Terrace, Prairie Village, Kansas 66207. Vianello organized Career Destination and his revocable trust is the sole member. Vianello invented the technology at issue in this case, obtaining multiple United States patents, including U.S. Patent Nos. 8,374,901, 7,424,438, and 7,797,181. These patents were assigned to Career Destination in March 2013. Career Destination possesses all rights, title and interest in these patents, including the right to sue for infringement. Career Destination is the developer of a website covered by these patents known as careerdestination.com.

10. Defendant Indeed is a corporation organized and existing under the laws of the State of Delaware with a principal place of business at 177 Broad Street, 6th Floor, Stamford, CT 06901. Indeed touts itself as "the #1 job site worldwide, with over 100 unique visitors per month."
