

Declaration of Courtney O'Connell

I, Courtney O'Connell, declare as follows:

1. As I stated in my Affidavit of Accuracy dated May 14, 2014, the English translation of the Japanese-language Tokyo Stock Exchange document titled "Futures/Option Purchasing System - Trading Terminal Operation Guide" ("the TSE document") is true and accurate to the best of my knowledge and belief.

2. As an Account Manager at TransPerfect Legal Solutions, I have personal knowledge that TransPerfect's translation and quality assurance processes are certified to be compliant with ISO 9001:2008 and EN 15038:2006. TransPerfect's translation and quality assurance processes are continually monitored by the standards and testing companies, BSI for ISO 9001 and TUV SUD for EN 15038, to ensure high quality translations and continual compliance with the above standards.

3. TransPerfect also uses its own proprietary testing and certification processes to ensure that it hires only the highest quality translators. Less than 15% of applicants pass TransPerfect's linguist certification test.

4. The translators that translated the TSE document were:

- Eiken Hino
- Ron Skidmore
- Maho Taniguchi-Speller
- Akiko Rosenberry

5. I have reviewed TransPerfect's records, and the above-listed translators are certified (and were certified at the time of translation) under TransPerfect's Linguist Certification program.

7. Accordingly, the TSE document translation is a true and accurate translation to the best of my knowledge and belief.
