Background

Experience

Partner

MMG Partners

October 2000 – Present (14 years 4 months)

Partner in a boutique management consulting firm. Primary responsibilities include generating new business, acting as the relationship manager for all major accounts, and providing high level management on relevant projects

Worked with multiple large sell-side and buy-side firms reducing their market data spend. Overall examined over 70,000 desks with savings ranging from 20-60%. Overall examined \$2 billion in spend and realized savings over \$532 million working closely with business owners such as COO's, desk heads, portfolio managers, and market data managers

Performed due diligence on the NYMEX futures exchange with a large private equity firm and a venture capital firm

Designed the front office to back office system for four independent broker dealers. The system provided a streamlined data-entry system which reduced keying errors, performed automated compliance checks, and reduced the turnaround time for approving new business generated by the broker dealers

Developed pricing strategies for the market data at a private sell-side firm and the PBOT

Worked with a major insurance company sourcing over \$250 million spend in both non-IT and IT spend resulting in 15% savings

Associate

marchFirst

1999 – 2001 (2 years)

Implemented a system for distributing messages for a fixed income product working closely with the client. Helped to develop the requirements and specifications through Use Case analysis and Object Model development

Evaluated the trading system technology for a pan-European exchange, during the installation of TIB/Exchange with a focus on capacity, scalability, and risks. Involved in a client group investigating

specific implementation of TIB/Exchange focusing on areas critical for launch as well as providing a methodology for future growth. Assessed the Disaster Recovery readiness of the exchange and proposed a cost-effective DR solution

Completed a study of publishing systems for a global news organization to replace legacy terminals with modern systems capable of supporting multimedia content and multiple output channels including news wire formats, and the Internet. Created a scorecard for evaluating the publishing systems with a stress on scalability and flexibility

Performed a technology overview for a proposed global financial news and commentary web site and acted in an advisory role on technology issues. Additionally, initiated a competitive pricing exercise to build an editing and delivery system for publishing information on the Internet

Developed a demonstration web site for the Theatre Development Fund to show how multimedia information could be distributed on the Internet

Associate

Mitchell Madison Group

1999 – 1999 (less than a year)

Manager

MIT

1992 – 1999 (7 years)

Managed the academic and administrative computing for the Electrical Engineering and Computer Science department (Course 6).

Created a web site designed to replace a paper intensive applications process bringing together dynamically generated html, electronically submitted transcripts and recommendation, and storing the information in an mSQL database

Designed and deployed computer labs for various classes

Supported the computing requirements for professors and administrative staff

Liaison with the central IT and networking group at MIT

Recommendations

Given (3)

J. P. Vicente
Managing Editor

JP's enthusiam and hard work was always evident in everything he did. Was always happiest when tackling the most difficult problems.

March 10, 2006, David was with another company when working with J. P. at Reuters

Myron "Fletch" Freeman
Director of Departmental Computing, EECS

Fletch was always someone that could be depended on. He was also a great person to be around. I can't say enough good things about him.

March 10, 2006, David managed Myron "Fletch" at MIT

Margaret Goracy
Consultant

A person who was willing to go above and beyond the call of duty. Puts in whatever hours or work necessary to get the job done. Asks questions instead of flailing around helplessly. A great person to have around.

March 3, 2006. David managed Margaret at MMG Partners
