Patent Owner

Case CBM2014-00190
Patent 7,334,720

PETITIONER'S REQUEST FOR ORAL ARGUMENT

Further to 37 C.F.R. § 42.70(a), requiring a separate paper requesting oral hearing and specifying issues to be argued, Petitioner submits this Request for Oral Hearing on the instituted grounds of unpatentability for claims 13 and 14 (all of the instituted claims) of U.S. Patent No. 7,334,720 under 35 U.S.C. § 101 and associated issues. *See* Paper 9 at 18. The Board has already scheduled the Oral Hearing in this proceeding (consolidated with CBM2015-00118 involving an additional Petitioner Apple) for January 6, 2015. *See* Paper 32 at 2. This Oral Hearing for January 6, 2016 is scheduled along with CBM2015-00028 and CBM2015-00029 involving related patents and the additional petitioner Apple. *Id.* Samsung respectfully suggests that, once the parties to the foregoing proceedings have had an opportunity to confer following the filing of all associated Requests for Oral Hearing, the parties and Board may benefit from a conference call to discuss the logistics for the coordination of proceedings scheduled for January 6, 2016. To account for the multiple proceedings taking place on the same day, as well as the expected number of counsel (including litigation counsel in related district court proceedings) and party representatives for each party, Petitioner further respectfully requests that, to the extent practicable, the Oral Hearings for each above-listed proceeding take place in Courtroom A.
