1	JUDGE ELLURU: This is Rama
2	Elluru, and I have Judges Bisk,
3	Clements and Plenzler on the line with
4	me. This is the initial conference call
5	for CBM2014 00190, -192, -193 and -194
6	and -199, Samsung against Smartflash.
7	Can we have counsel for
8	Petitioner identify themself, please?
9	MR. RENNER: Yes. This is Carl
10	Renner from Fish & Richardson, and I'm
11	joined by Tom Rozylowicz and Andrew
12	Patrick.
13	JUDGE BISK: Thank you, Mr.
14	Renner. Do you expect anyone else
15	today?
16	MR. RENNER: No, we don't.
17	Thank you.
18	JUDGE BISK: Is there a court
19	reporter at your request on this line?
20	MR. RENNER: There is not.
21	MR. ROZYLOWICZ: There is a
22	court reporter, I believe at the
23	request of Patent Owner.
24	JUDGE BISK: And can Patent
25	Owner please identify counsel?

1 MR. CASEY: Yes, your Honor. Michael Casey of Davidson Berquist 2 Jackson & Gowdey, and yes, we did arrange for a court reporter. JUDGE BISK: And we would like 6 that the transcript of today's teleconference be filed as an exhibit 8 in this case. Thank you. So we received a list of 10 proposed motions by Patent Owner but 11 not Petitioner, is that correct, 12 Mr. Renner? 13 MR. RENNER: That is correct, 14 your Honor. 15 JUDGE ELLURU: So Mr. Casey, 16 let's go through your list of motions 17 starting with the first one, which is 18 titled "Motion For Routine Discovery". 19 MR. CASEY: Yes, your Honor. JUDGE ELLURU: Are you requesting 20 21 authorization for -- to file a motion 22 for discovery at this point? 23 MR. CASEY: Yes, your Honor. And 24 Owner wishes to file a motion for 25 routine discovery to obtain documents

that relate to non-infringing alternatives and arguments of non-infringement in the District Court litigation identified in the list of proposed motions, as I believe, it is proper under the routine discovery requirements.

JUDGE ELLURU: You have the evidence that Petitioner has allegedly taken in his deposition by saying that the claims result in preemption here and saying they don't infringe in the District Court.

What other evidence are you looking for that is relevant to the issues in this trial?

MR. CASEY: I'm sorry, your

Honor. I didn't understand your

question. Would you mind repeating it?

JUDGE ELLURU: Sure. You clearly have evidence that Petitioner allegedly took an inconsistent position in a District Court by saying that they don't infringe and then saying here that the claims result in preemption,

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time** alerts and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
