Case CBM2014-00194  
Patent 8,118,221

**PETITIONER'S REQUEST FOR ORAL ARGUMENT**

Further to 37 C.F.R. § 42.70(a), requiring a separate paper requesting oral hearing and specifying issues to be argued, Petitioner submits this Request for Oral Hearing on the instituted grounds of unpatentability for claims 2, 11, and 32 (all of the instituted claims) of U.S. Patent No. 8,118,221 under 35 U.S.C. § 101 and associated issues. *See* Paper 7 at 15. The Board has already scheduled the Oral Hearing in this proceeding (consolidated with CBM2015-00117 involving an additional Petitioner Apple) for November 9, 2015. *See* Paper 33 at 2. This Oral Hearing for November 9, 2015 is scheduled along with CBM2014-00199 involving the same Petitioner and Patent Owner and related patents, and CBM2014-00192 (consolidated with CBM2015-00119), CBM2014-00193 (consolidated with CBM2015-00120), CBM2015-00015, CBM2015-00016, and CBM2015-00017 involving related patents and the additional petitioner Apple. *Id.* Samsung respectfully suggests that, once the parties to the foregoing proceedings have had an opportunity to confer following the filing of all associated Requests for Oral Hearing, the parties and Board may benefit from a conference call to discuss the logistics for the coordination of proceedings scheduled for November 9, 2015. To account for the multiple proceedings taking place on the same day, as well as the expected number of counsel (including litigation counsel in related district court proceedings) and party representatives for each party, Petitioner further respectfully

requests that, to the extent practicable, the Oral Hearings for each above-listed proceeding take place in Courtroom A.

Respectfully submitted,

/Thomas A. Rozylowicz/
