In response to an email from the parties to Trials@uspto.gov , the panel granted the following authorization via email, dated June 16, 2015, to counsel.

Patent Owner's request for a one-day extension to serve its objections upon Petitioner is granted. We note that Patent Owner also must file its objections with the Board. Petitioner agrees that it will not object to Patent Owner's objections as untimely. Petitioner's due date to file supplemental evidence in response is determined from the day Patent Owner *served* its objections upon Petitioner. Patent Owner represents that it does not object to this date.
