Petitioner

v.

AMERANTH, INC.,

Patent Owner

Case No.: CBM2015-00096

Patent No. 6,384,850

PETITIONER'S SUPPLEMENTAL RESPONSE TO NOTICE OF FILING DATE ACCORDED TO PETITION AND TIME FOR FILING PATENT OWNER PRELIMINARY RESPONSE (PAPER NO. 5)

This paper is a supplemental response to the Notice of Filing Date Accorded to Petition and Time for Filing Patent Owner Preliminary Response that was mailed on March 25, 2015 (Paper 5) (the “Notice”). The Notice requests that Petitioner correct a defect concerning improper usage of claim charts under 37 C.F.R. § 42.6(a)(2)(iii), which relates to alleged improper argument contained in Petitioner’s claim charts. On April 1, 2015, Petitioner filed a Response to the Notice (Paper 6) reiterating its request that the Board provide clarification about the location of the alleged improper argument. Subsequently thereto, Petitioner received the requested clarification by telephone from the Board.

Accordingly, Petitioner is filing contemporaneously herewith a Corrected Petition in which spacing and quotation marks have been adjusted to more clearly identify certain block quotations as such in Petitioner’s claim charts. No new arguments are presented or removed by these corrections. The substantive bases for seeking covered business method review remain unchanged.
