How do I access Mobile Order & Pay?

Published 11/25/2014 01:09 PM | Updated 09/22/2015 08:17 AM

Mobile Order & Pay is an integrated feature of the Starbucks® app for iPhone® and Android™. To get started, install the latest version of the Starbucks® app for iPhone® and Android™. If you are not yet a member of My Starbucks Rewards®, you will need to add a Starbucks Card to the app; then tap "Menu". You will need to enable location services so we can show the stores in your area accepting Mobile Order & Pay, and then you are ready to place your order.
