**UNOPPOSED MOTION FOR *PRO HAC VICE* ADMISSION OF  
MELISSA J. BAILY**

Pursuant to 37 C.F.R. § 42.10, and as authorized in the Board’s Notice of Filing Date Accorded to Petition (Paper 5), Petitioner Google Inc. (“Google”) respectfully requests *pro hac vice* admission of Melissa J. Baily as counsel in this proceeding.

**I. TIME FOR FILING**

This motion is timely because it is being filed no sooner than twenty-one (21) days after service of Google’s Petition in its proceeding, which occurred on May 6, 2015.

## II. STATEMENT OF FACTS

The facts stated below and the affidavit of Melissa J. Baily filed concurrently herewith demonstrate good cause for the Board to recognize Ms. Baily as *pro hac vice* counsel in this proceeding.

Ms. Baily is an experienced litigation attorney and has been practicing law since 2001. Her practice focuses on intellectual property litigation, and she has litigated patent infringement cases in district courts throughout the country. Among her experience in patent litigation matters, Ms. Baily has participated in all stages of district court proceedings, including *Markman* hearings, trials, and other patent-related hearings and proceedings concerning patent validity and infringement issues. Ms. Baily is widely recognized as a leading patent litigator, including being named among the top intellectual property lawyers in the country under the age of 40 by *Law360* in 2014.

Ms. Baily has experience and is familiar with U.S. Patent No. 8,118,221 (“the ’221 patent”) and the issues involved in this proceeding. She is counsel for Google in currently stayed district court proceedings where Smartflash accuses Google of infringement of U.S. Patent Nos. 8,118,221; 7,334,720; 7,942,317; 8,033,458; 8,061,598; 8,336,772; and 8,794,516. (*Smartflash LLC v. Google Inc.*, E.D. Tex. No. 6:14-cv-435.) She also represents Samsung Electronics Co., Ltd., Samsung Electronics America, Inc., HTC Corporation, and HTC America, Inc. in

currently stayed district court litigation where Smartflash asserts infringement of U.S. Patent Nos. 8,118,221; 7,334,720; 7,942,317; 8,033,458; 8,061,598; and 8,336,772. (*Smartflash LLC v. Samsung Elecs. Co., Ltd., et al.*, E.D. Tex. No. 6:13-cv-448.) As counsel in those district court proceedings, Ms. Baily has been involved in all aspects of the defense, including with respect to issues regarding the invalidity of the '221 patent.

In light of Ms. Baily's experience and familiarity with the '221 patent, Google prefers that Ms. Baily participate as counsel in this proceeding as well. Furthermore, Smartflash does not oppose Ms. Baily's admission as *pro hac vice* counsel.

\*\*\*

For the reasons outlined in this motion and in the accompanying declaration, Google respectfully requests admission of Melissa J. Baily as *pro hac vice* counsel.
