Steve, I'm not sure who needs to be included on this email so I'm sending it to you (and since I'm out of the office this is easier for me).

First, hope you are feeling better.

Second, in regard to your pending motion in front of Judge Kendall, which I have not read yet, we would propose that TT can characterize documents at high level for purposes of your motion for additional discovery at the PTAB without prejudice. Does this moot your motion?

Third, I have a settlement offer that I want to discuss with you briefly. I'm free the next few hours.

Rob
