v.

TRADING TECHNOLOGIES INTERNATIONAL, INC.

Patent Owner

Case CBM2015-00179
U.S. Patent 7,533,056

**JOINT MOTION TO TERMINATE PROCEEDINGS
WITH RESPECT TO CQG, INC. AND CQGT, LLC AND NOTICE OF
SETTLEMENT UNDER 35 U.S.C. § 327 AND 37 C.F.R §§ 42.72 AND 42.74**

I. Introduction

Petitioners CQG, Inc. and CQGT, LLC (collectively, “CQG”) and Patent Owner Trading Technologies International, Inc. (“TT”) have entered into a confidential Settlement Agreement that resolves all underlying disputes between the parties, including CBM2015-00179 against U.S. Patent No. 7,533,056, currently before the Board. As required by 35 U.S.C. § 327(b) and 37 C.F.R. § 42.74(b), the parties are filing a copy of the Settlement Agreement as Exhibit 1045 along with a request to treat it as Confidential Business Information under 37 C.F.R. § 42.74(c). The undersigned represents that there are no other collateral arguments between CQG and TT and that Exhibit 1045 represents a true and accurate copy of the agreement between the parties. Accordingly, TT and CQG jointly request termination of CBM2015-00179 against U.S. Patent No. 7,533,056—with respect *only* to CQG. The Board authorized the parties to file this joint motion to terminate by email on February 26, 2016.

II. Statement of Precise Relief Requested

The parties jointly move to terminate this proceeding with respect to CQG, pursuant to 35 U.S.C. § 327 and 37 C.F.R. §§ 42.72 and 42.74. The applicable statute, 35 U.S.C. § 327(a), provides that the proceeding “shall be terminated with respect to *any* petitioner upon the joint request of the petitioner and the patent owner, unless the Office has decided the merits of the proceeding before the

request for termination is filed.” (emphasis added). In this case, the Petition was filed on September 2, 2015, and the Board instituted trial on February 24, 2016.

III. Conclusion

For the foregoing reasons, Petitioner CQG and Patent Owner TT request that the Board terminate this proceeding with respect to CQG.

Respectfully submitted,

Dated: 2/29/16

/Robert Sokohl/
