v.

TRADING TECHNOLOGIES INTERNATIONAL, INC.,

Patent Owner

---

Case CBM2015-00179  
U.S. Patent 7,533,056 B2

---

**PATENT OWNER'S REQUEST FOR ORAL HEARING**

The Board has already scheduled oral hearings for this CBM proceeding (CBM2015-00179) and the three other pending CBM proceedings between Petitioners and Patent Owner (CBM2015-00161, CBM2015-00181, and CBM2015-00182) for October 19, 2016. Paper 24 at 7. Pursuant to 37 C.F.R. § 42.70(a), Patent Owner requests oral hearing on the instituted grounds of unpatentability in each of the proceedings and all other issues presented in the pleadings (e.g., motions to exclude). Given the number of issues and patents involved across the proceedings, Patent Owner proposes scheduling a total of eight hours of argument time (4 hours per side), without restricting the parties to a particular schedule for the issues or patents.

Patent Owner requests that, in addition to lead and back-up counsel (nine individuals), two spaces be reserved at the oral hearings to accommodate Patent Owners' corporate representatives.

Respectfully submitted,

Dated: September 23, 2016
