Can you place entry and exit orders at the same time with just one click?

With **TradeStation MATRIX**, you can.

The more you trade, the more you need TradeStation's innovative order management tool, MATRIX. [Watch the free demo](#) and discover how MATRIX works with the entire TradeStation platform to make you the best trader you can be.

- Track all positions and place orders while looking at indicators in real-time, all in one window.
- See a symbol's ask, ask size, bid, bid size, and volume at each price level for the day.
- Place, cancel or reverse simple, complex, even bracketed orders with a single click.
- View open positions profit/loss at a glance.

IMPORTANT INFORMATION: *Commission rebate offer applies to clients who open and fund a new per-share equity account, futures or forex account by 4/30/09. Maximum commission rebate amount cannot exceed \$200. To receive the rebate, a minimum of 50% of the initial funding balance must be maintained for the duration of the promotional period (60 days for a maximum of \$200 in rebates). Rebates will be processed monthly and automatically applied to account holder's balance until the maximum rebate amount is achieved or the promotional period ends. This offer cannot be combined with any other offer. Limit one commission rebate per TradeStation network ID regardless of the number of accounts held. Commission rebates shall be limited to commissions for trades of equity shares, futures or options contracts or forex lots that are executed through the TradeStation platform and cannot be applied towards mutual funds, futures options, foreign contracts, bonds or private placements, or trades of any kind called into the TradeStation trading desk. Commission rebates exclude exchange fees, regulatory fees and all other account fees and charges, including margin interest, if any. Additional restrictions apply. Terms and conditions are subject to change at any time.
