

Ecco's Copying

David Feltes
CEO,
Marquette
Partners

A. My contact [at Ecco] was James Davies.

* * * * *

Q. Yes. I'm just curious what, if anything, the vendors, the ISVs, told you about why they were including static price – **a static price ladder and single-click order entry functionality in their screens.**

A. They had said that that's what traders had been asking for that they had spoken to and **they wanted to, you know, be competitive with the new TT product.**
