3 JUDGE PETRAVICK: Good afternoon.

4 This is Judge Petravick, with me on  
5 the phone is Judge Plenzler.

6 We are here for conference call for  
7 CMB 2015-00179, 181 and 182.

8 Could I know who's on the line from  
9 Petitioner.

10 MS. GORDON: Yes, Your Honor.

11 This is Lori Gordon for Petitioner,  
12 and I'll be arguing on behalf of  
13 Petitioners today.

14 Also with me is Rob Sokohl from  
15 Sterne, Kessler.

16 JUDGE PETRAVICK: Thank you.

17 From the Patent Owner?

18 MS. EMSLEY: Good afternoon, Your  
19 Honor.

20 This is Rachel Emsley for patent  
21 owners, and Steve Borsand is also in the  
22 room with me.

1 JUDGE PETRAVICK: All right.

2 Is anybody else on the line?

3 MS. GORDON: Your Honor, we have  
4 a court reporter on the line.

5 JUDGE PETRAVICK: Who arranged  
6 for the court reporter?

7 MS. GORDON: Petitioners did.

8 JUDGE PETRAVICK: Thank you, and  
9 you'll file a transcript afterward?

10 MS. GORDON: Yes.

11 Would you like that in the 3,000  
12 series?

13 JUDGE PETRAVICK: Sure.

14 MS. GORDON: Okay, thank you.

15 JUDGE PETRAVICK: And you have  
16 enough numbers, you can use one of  
17 yours, too.

18 MS. GORDON: Yeah, okay, I think  
19 we have plenty of numbers.

20 JUDGE PETRAVICK: All right, so  
21 we received an e-mail from Petitioner  
22 regarding a dispute as to whether the 1

1 -- the deposition in the 179 case will  
2 occur tomorrow and the deposition for  
3 the 181 and the 182 will occur on  
4 Thursday.

5 This is a dispute about whether on  
6 May 3rd the topics will be limited to the  
7 179 case.

8 Petitioner, is that correct?

9 MS. GORDON: Yes, Your Honor, the  
10 first issue is whether based on the  
11 parties' agreement the first deposition  
12 will be limited to the 179 case and the  
13 second deposition to the 181 and 182  
14 case, and then depending on the  
15 resolution of that issue, there may be a  
16 follow-on dispute that we could use some  
17 clarification regarding.

18 JUDGE PETRAVICK: Okay, so let's  
19 hear from you on the first issue, then  
20 Patent Owner will have a chance to speak  
21 on that issue.

22 MS. GORDON: Okay, thank you,

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

## LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

## FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

## E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
