**CERTIFICATION OF  
CORRECTED PATENT OWNER'S RESPONSE**

Pursuant to the Board's Order of June 30, 2016 (Paper 65), Patent Owner Trading Technologies International, Inc. ("TT"), files this Certification with its co-filed Corrected Patent Owner's Response.

TT certifies that the Corrected Patent Owner Response does not include any unauthorized motions and that no other material has been omitted, added, or altered in the Corrected Patent Owner's Response. To avoid inconsistencies with the Board's order requiring TT to provide a listing of where each filed exhibit was cited in the record (Paper 64), TT has removed the stricken material with white space so that the citations in the required listing correspond to both the original Patent Owner's Response and Corrected Patent Owner's Response.

Lead counsel further certifies that she understands that pursuant to the Board Rules, 1) a request for relief must be in the form of a motion; 2) unless otherwise authorized by order or in the Board's Rules, authorization is required prior to filing a motion; and 3) combining motions with other papers is prohibited.

Respectfully Submitted,
