Human Systems
Integration Division

What is
Human
Systems
Integration?

TECHNICAL AREAS

Human-Machine Interaction

Human-Computer Interaction Group (HCI)

Human Performance

Advanced Controls and Displays

Cognition Lab

Human Vibration Laboratory

Intelligent Spacecraft Interface Systems (ISIS)

Man-machine Integration Design and Analysis System (MIDAS)

Operational Based Vision Assessment (OBVA)

Psychophysiological Research Laboratory

Vision Science and Technology

Visuomotor Control Laboratory

Integration and Training

Airspace Operations Laboratory (AOL)

Aviation Safety Reporting System (ASRS)

Emergency, Abnormal, and Off-nominal Situations (EAS) Study

Flight Cognition Laboratory

Flight Deck Display Research Group

Human-Centered Systems Lab (HCSL)
