ALLPEN SOFTWARE INC. LIMITED SOFTWARE END USER LICENSE AGREEMENT AND LIMITED WARRANTY:

THIS IS A LEGAL AGREEMENT BETWEEN ALLPEN SOFTWARE, INC. ("ALLPEN") AND YOU, THE END USER. CAREFULLY READ THIS AGREEMENT BEFORE USING THIS PACKAGE. BY OPENING THIS DISK PACKAGE, YOU ARE AGREEING TO THE TERMS OF THIS AGREEMENT. IF YOU DO NOT AGREE TO THESE TERMS, DO NOT USE THE SOFTWARE.

NETHOPPER SOFTWARE LICENSE

This software package is protected by federal copyright law and international treaty. Each software package license allows the use of the software on a single Personal Digital Assistant (i.e. Newton-compatible device) hereafter "PDA", with a single CPU. You may also make a copy of the software for backup or archival purposes, and transfer the software to a single hard disk. Copyright law prohibits you from making any other copy of the software and users manual without ALLPEN's express written permission. You may not alter, modify or adapt the software or users manual, nor create any derivative works based on them. In addition, you agree not to disassemble, decompile, or reverse engineer the software. You may not sub license, sell, rent, lend, or give away the software to others. You may, however, transfer the software written materials, and this license agreement as a package if the other party agrees to accept this agreement. You may not retain any copies of the software yourself once you have transferred it. Any unauthorized copying, distribution, or modification of the software will automatically terminate your license to use the software and will violate the software's copyright.

LIMITED WARRANTY AND REMEDIES

ALLPEN warrants that the magnetic media on which the software is distributed are free from defects in materials and workmanship under normal use, and the media and documentation contain accurate copies of the software and users manual. These warranties are limited to a period of 90 days from the date of your original purchase. If you report and return to us your faulty disk or documentation during this period, along with a dated proof of purchase, ALLPEN will replace it free of charge.

THE WARRANTIES AND REMEDIES SET FORTH ABOVE ARE EXCLUSIVE AND IN LIEU OF ALL OTHERS, ORAL OR WRITTEN, EXPRESS OR IMPLIED. EXCEPT AS EXPRESSLY SET FORTH ABOVE, ALLPEN MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SOFTWARE, MEDIA, OR USERS MANUAL INCLUDING THEIR QUALITY MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT WILL ALLPEN OR ITS DISTRIBUTORS OR DEALERS BE LIABLE FOR ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES ARISING FROM THE USE OF OR INABILITY TO USE THE SOFTWARE OR DOCUMENTATION, EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Because the software is inherently complex and may not be completely free of errors, neither ALLPEN nor its supplier is responsible for any costs including, but not limited to, those incurred as a result of lost profits or revenue, loss of time or use of the software, loss of data, the cost of recovering software, claims by third parties, or similar costs. In no event will ALLPEN's (or its distributors' dealers') liability exceed the amount of the license fee. No distributor, dealer, employee, or agent of ALLPEN is authorized to make any modification, extension, or addition to these warranties and limitations of liability.

U.S. GOVERNMENT RESTRICTED RIGHTS

This software and documentation are provided to the U.S. government with RESTRICTED RIGHTS. Use, duplication or disclosure is subject to restrictions set forth in subpart (c) (1) (ii) of the Rights in Technical Data and Computer Software clause at 52.227-7013. Contractor is ALLPEN SOFTWARE, INC., 16795 Lark Avenue, Suite 200, Los Gatos, California, 95030.

GENERAL

This is the complete and exclusive statement of the agreement between you and ALLPEN and it supersedes any prior agreement or understanding, oral or written, between you and ALLPEN, its agents and employees, with respect to the matters in this agreement. This agreement is governed by the laws of the State of California, U.S.A.

What is the Newton Internet Enabler?

The Newton Internet Enabler (NIE) is the TCP/IP stack for the Newton, developed by Apple Computer, Inc. This piece of software allows you to make a connection from your Newton to your Internet Service Provider (ISP) so you can perform tasks like browsing the Web or retrieving email. NetHopper relies on the NIE to make the connection to your ISP.

The NIE should already be installed on your Newton. You'll need to refer to the NIE manual to set up the account information. Once you enter the required information such as account name and password, NetHopper will invoke the NIE to browse the Web.
