JURY VERDICT FORM

EXPLANATION REGARDING INDEPENDENT AND DEPENDENT CLAIMS

On this Verdict Sheet you will find that independent claims are listed in boldface, and dependent claims in regular typeface. This is not an indication that some claims are more important than others. Rather, as explained in the jury instructions, if you find that an independent claim is not infringed, you need not consider whether the dependent claims listed underneath it are infringed. Similarly, if you find that an independent claim is valid, you need not consider whether the dependent claims listed underneath it are valid.

SPECIAL VERDICT NO. 1: DIRECT INFRINGEMENT (eSpeed)

1. For each of the Asserted Claims, did TT prove by a preponderance of the evidence that eSpeed directly infringed? (A "Yes" answer is a finding for TT on the issue; a "No" answer is a finding for eSpeed on the issue.)
