1           So the court reporter can only take down one  
2 person at a time. So when I'm asking a question, I  
3 would just ask that you wait for me to answer [sic]  
4 before you start. And then when you're providing your  
5 answer, I will try to wait until I ask the next  
6 question, just so that we're not talking over each  
7 other.

8           Is that fair enough?

9           A. Understood, yeah.

10          Q. Okay. And then any time if you want to take a  
11 break, that's fine. Just let me know.

12          A. Okay.

13          Q. The only thing I would ask is if there's a  
14 question pending, I would like an answer to that prior  
15 to the break. Is that fair?

16          A. Absolutely.

17          Q. Okay. Is there anything that would prevent  
18 you from testifying truthfully and accurately today?

19          A. No.

20          Q. Who were you retained by in this case?

21          A. Loeb and Loeb.

22          Q. Okay. And when was that?

23          A. The first discussion was last spring, and then  
24 I think I started doing work for these guys over the

1 summer, July or August.

2 Q. Okay. And who was it that contacted you? How  
3 did that -- How did that initial contact come about?  
4 Would you --

5 A. Anne Kelly --

6 Q. -- describe that?

7 A. Anne Kelly's an attorney at Loeb and Loeb and  
8 he's a neighbor --

9 Q. Oh.

10 A. -- and an acquaintance.

11 Actually, I was -- I was working in New York  
12 City and my family stayed behind. I was commuting, and  
13 he met my wife. And I think this is when I was in New  
14 York and he found out I was a securities trader, and  
15 then we had talked. We had met. I had never met him.  
16 We met after that and he asked me if I would be  
17 interested. And I said, Sure, I could help out.

18 Q. Okay. Are you guys neighbors?

19 A. He lives down the street.

20 Q. In -- In --

21 A. Yeah.

22 Q. In Wilmette?

23 A. Winnetka.

24 Q. Winnetka?

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

## LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

## FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

## E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
