3 JUDGE PETRAVICK: Good afternoon.

4 This is Judge Petravick, on the

5 phone with Judge Medley and Judge

6 Plenzler.

7 This is a conference call for CBM

8 2016-00054.

9 Can I know who is on the line for
10 the Petitioner?

11 MR. SOKOHL: Yes, Your Honor this
12 is Robert Sokohl representing
13 Petitioners, lead counsel.

14 JUDGE PETRAVICK: And is there
15 anybody else on the line for Petitioner?

16 MR. SOKOHL: No, Your Honor.

17 JUDGE PETRAVICK: And for patent
18 owner?

19 MS. KURCZ: Good morning, Your
20 Honors, this is Jennifer Kurcz on behalf
21 of patent owner Trading Technology.

22 JUDGE PETRAVICK: And is there

1 anybody else on the line?

2 MS. KURCZ: No, Your Honor.

3 JUDGE PETRAVICK: Is there a
4 court reporter?

5 MR. SOKOHL: Yes, Your Honor.

6 JUDGE PETRAVICK: Who arranged
7 for the court reporter, the Petitioner?

8 MR. SOKOHL: Yes, Your Honor.

9 JUDGE PETRAVICK: And you will
10 file the transcript when it's available?

11 MR. SOKOHL: Yes, Your Honor.

12 JUDGE PETRAVICK: Thank you.

13 All right, for today we are here to
14 discuss your request for an increase in
15 the word count limit for the Petitioner's
16 reply.

17 We will hear from Petitioner first.

18 MR. SOKOHL: Thank you, Your
19 Honor.

20 As the panel is aware on March 17
21 we had a telephone conference to discuss
22 Petitioner's request to strike certain

1 portions of the patent owner's reply,
2 response as well as increase the word
3 count.

4 We were asking for authorization to
5 file a motion to strike and for an
6 increase in the word count, and we believe
7 that the court misapprehended what we were
8 asking for.

9 We never intended to ask for one or
10 the other.

11 Our intent was to ask for a modest
12 increase in the word count and if the
13 Board did not agree with our request for a
14 motion to strike, that we would ask for
15 more words.

16 We specifically had mentioned the
17 CV and the prior CBMs 2015-00181 and 182
18 where we had been -- we had asked and had
19 been granted a 1,000 word increase to
20 6,600 words to cover all the issues in the
21 CBM.

22 We have very similar issues here,

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
