Counsel,

Oral hearing has been held in this case and the time for filing exhibits and briefing has expired. Based on the facts of the case, Petitioner has not demonstrated good cause to belatedly file a paper with citations to nonprecedential PTAB decisions. See 37 C.F.R. § 42.5(c); 42.13(d). Accordingly, Petitioner's request is denied.

Board:

In each of the four above-noted CBM proceedings, Petitioners seek to make of record two recent Final Written Decisions, which are believed to be relevant because they relate to similar subject matter as these proceedings (i.e., GUI features for financial trading) and thus may be instructive on Section 101 determinations. Petitioners request only to put the cites for these decisions in the record and seek no additional argument thereon.

Patent Owner opposes this request.

Respectfully,
John Phillips
Counsel for Petitioners
