Quick Start Guide

Welcome to iPhone.
This Quick Start guide tells you how to set up your iPhone and use its key features. To start, turn on your iPhone by pressing and holding the On/Off button for a few seconds. Then follow the onscreen instructions to set up your iPhone.

Button basics.
To turn off or restart iPhone, press and hold the On/Off button for a few seconds, then drag the slider to confirm. To turn off the screen but still receive calls, press On/Off once. Press the Home button at any time to return to the Home screen. To quickly switch between recently used apps, double-click the Home button and tap an app icon.

Make a call.
Tap a phone number in Contacts, an email, a text message, or a link in an iPhone app to make a call. Or tap a phone number in an app and tap the Keypad button manually. To silence an incoming call, press On/Off once. To silence an incoming call while using the iPhone, press the center button once. Press the center button once. Press the center button once. Press the center button once.

Ring/Silent
Volume Up/Down

Camera.
From the Lock screen, double-click the Home button to quickly access the camera, or tap the Camera icon on the Home screen. Adjust focus and exposure by tapping anyone or anything on the screen. To take a picture, tap the Camera button or press the Volume Up button. To record HD video, set the switch to Video, then tap the Record button. Tap it again to stop recording.

Photos.
Tap the Photos icon on the Home screen to see your pictures. Flick right or left to move between images. Double-tap or pinch to zoom. Tap once to bring up the onscreen controls. You can edit or enhance a photo, share it, print it, and more. If you have Photo Stream enabled in iCloud, new pictures you take are automatically pushed to all your other devices.

Video and song controls.
While playing music or watching a movie, tap anywhere on the screen to bring up the controls. Tap again to hide them. To stream your music or video to an Apple TV, tap the AirPlay button.* From the Lock screen, you can double-click the Home button to quickly access your audio controls.

See the web up close.
In Safari, double-tap a page—picture or text—to zoom in. Tap again to zoom out. Tap the web icon at the top of the page to return to the normal view. Tap the back button to return to the previous page or open a new one.

Cars 2 will be available on iTunes beginning November 1, 2011. Cars 2 © Disney/Pixar.
*Requires second-generation Apple TV.
