MOTIONS LIST FOR INITIAL CONFERENCE CALL

The Petitioners, Schrader-Bridgeport International, Inc. and Schrader Electronics, Inc. (collectively, "Schrader"), do not presently anticipate filing any motions. At this juncture, Schrader is not aware of what amendments the Patent Owner may propose, or what additional arguments the Patent Owner may make in support of the claims as issued or as amended. Thus, Schrader will seek authorization from the Board (if required) should the need later arise for a motion.

Respectfully submitted,
