ORDER  
Conduct of the Proceeding  
37 C.F.R. § 42.5

---

<sup>1</sup>This order addresses an issue that is identical in all five cases. Therefore, we exercise discretion to issue one order to be filed in each of the five cases. The parties, however, are not authorized to use this style heading in subsequent papers since doing so may cause confusion.

CASES IPR2013-00060, 00064, 00065, 00066, 00068  
Patent 7,697,102 B2, 7,923,311 B2, 7,876,413 B2, 8,068,204B2

On April 24, 2013, the initial conference call for related cases IPR2013-00028 and IPR2013-00038 was held. During the call, counsel for CMI indicated that CMI has undergone a name change. Despite CMI counsel's representation made during the call that the company is the same and that the real party-in-interest has not changed (that only the name of the real party-in-interest has changed), the company name change should be identified to make clear who is the petitioner in this proceeding. *See* 37 C.F.R. § 42.8(a)(3). Accordingly, CMI was ordered to provide an update for related cases IPR2013-00028 and IPR2013-00038. The same update would appear to be appropriate in these five related cases as well.

Accordingly, it is

ORDERED that CMI shall provide an update of its company name change in compliance with 37 C.F.R. § 42.8(a)(3)<sup>2</sup> by April 30, 2013 in the above captioned cases.

---

<sup>2</sup> In the event that the name change occurred more than twenty-one (21) days ago, the 37 C.F.R. § 42.8(a)(3) twenty-one (21) day requirement is waived for the sole purpose of allowing CMI to update its notice information. 37 C.F.R. § 42.5(b).
