UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

Oracle Corporation
Petitioner

v.

Clouding IP, LLC
Patent Owner

Case IPR2013-00073 (JL)
Patent 6,738,799

Before JAMESON LEE, JONI Y. CHANG, and MICHAEL W. KIM,
Administrative Patent Judges.

LEE, *Administrative Patent Judge.*

ORDER
Conduct of the Proceeding
37 C.F.R. § 42.5

On May 8, 2013, the initial telephone conference call for this trial was held between respective counsel for the parties and Judges Lee, Chang, and Kim. The purpose of the call was to discuss which motions the parties intend to file. Neither party filed a list of intended motions prior to the initial conference call. During the

conference call, counsel for both parties indicated that they do not, at this time, contemplate filing any motion.

Neither party indicated a need for modifying any due date as set forth in the Scheduling Order (Paper 9) dated April 24, 2013. A discussion was held in which counsel for the parties expressed a willingness to coordinate with each other the dates of cross-examination of witnesses in several related *inter partes* reviews, so that the same witness may be deposed on the same day for more than one trial. The Judges indicated that the parties may stipulate to different Due Dates 1-3 without prior authorization of the Board, but that a copy of the stipulation has to be filed in accordance with the requirements set forth in the Scheduling Order.

It is

ORDERED that if and when the patent owner desires to file a motion to amend claims, a conference call should be made to the Board to confer, prior to the filing of such a motion; *see* 37 C.F.R. § 42,121(a); and

FURTHER ORDERED that all due dates set in the Scheduling Order dated April 24, 2013, remain unchanged, subject to any stipulation by the parties as to Due Dates 1-3.
