

SUPPLEMENTAL DECLARATION OF KEVIN BERMEISTER

1. My name is Kevin Bermeister. I have personal knowledge of the matters set forth below, and the factual matters set forth below are true and correct. This is supplemental to the declaration I previous executed in this IPR.

2. Skype was a wholly owned subsidiary of eBay, and I had no personal interest in Skype at the time the Skype license was agreed to (Ex. 2010).

3. I have been the President or CEO of BDE since 1996. I have personal knowledge that the amounts stated in my declarations are approximately correct as stated with respect to license payments. I recall from the time the licenses mentioned in my declarations were granted and through the time that payments were made that the monetary amounts stated by me are approximately correct. I was personally involved in negotiating all licenses identified in my declarations, and recall that the amounts identified as being paid and received for the licenses are correct.

4. There was a typographical error in my last declaration regarding Exhibit 2011, which is a copy of a Patent License Agreement made between Kinetech, and BDE and Altnet, Inc. The error is corrected as follows. BDE paid approximately 5,000,000 warrants which at the time of issuance were valued at approximately \$1,000,000.

5. There is no signature for BDE in Exhibit 2012. However, I recall that BDE did sign this license agreement but I have been unable to locate a copy of this license agreement that was signed by BDE.

6. In signing this declaration, I recognize that the declaration will be filed as evidence in a contested proceeding before the Patent Trial and Appeal Board of the United States Patent and Trademark Office. I also recognize that I may be subject to cross examination in the proceeding and that cross examination will take place within the United States. If cross examination is required of me, I will appear for cross examination within the United States during the time allotted for cross examination.

7. I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.
