P R O C E E D I N G S

Whereupon,

JUDGE MEDLEY: This is the initial conference call for IPR 2013-00112. I would first like to start with a roll-call. For Petitioner, who do we have on the line?

MR. MCCOMBS: Yes, Your Honor. This is David McCombs and Tom King, for the Petitioner Xilinx.

JUDGE MEDLEY: Thank you. And for Patent Owner?

MR. QUILLIN: Your Honor, this is George Quillin, on behalf of the Patent Owner, Intellectual Ventures. We also have a court reporter here with me, as well as some in-house colleagues. I will let them introduce themselves. And I understand my partner, Paul Hunter, may be calling in as well. But I will let Mr. Coulman and Ms. Dewey introduce themselves.

JUDGE MEDLEY: Thank you.

MR. COULMAN: This is Don Coulman, from Intellectual Ventures.

1 MS. DEWEY: And Joey Dewey, from
2 Intellectual Ventures.

3 JUDGE MEDLEY: Okay. Thank you.

4 MR. MCCOMBS: Your Honor, this is David
5 McCombs. One of my colleagues, Thomas Kelton, just
6 walked in as well.

7 JUDGE MEDLEY: Okay. So, Mr. Quillin,
8 should we wait for Mr. Hunter or should we begin?

9 MR. QUILLIN: I think we could begin, Your
10 Honor.

11 JUDGE MEDLEY: All right. So I would
12 first like to ask the parties if they discussed
13 settling this case? And I'll direct that to
14 Petitioner.

15 MR. MCCOMBS: No, Your Honor.

16 JUDGE MEDLEY: Okay. If there is anything
17 that the Board can assist in making settlement
18 happen, please do not hesitate to contact us.

19 All right. So moving on to the list that
20 we received in preparation for this call, we
21 received Xilinx's motion or notice regarding
22 conference call indicating that it does not

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
