overhead expenses, contributors should send a check for \$20.00 (U.S.) with each unsolicited manuscript to CLINICAL ORTHOPAEDICS AND RELATED RESEARCH, UCLA Bone Research Laboratory, 1000 Veteran Avenue, Los Angeles, California 90024.

- **ORGANIZE YOUR MANUSCRIPT** as follows: Introduction; Materials and Methods; Results; Discussion; Summary.

- **THE SUMMARY** should be 200 words or less and appear at the end of the text.

- **ALPHABETIZE AND NUMBER REFERENCES.** A bibliography of numbered references in alphabetical order should be attached to the manuscript. Each reference must be cited in the text by number. Follow exact style of references published in this copy of CLINICAL ORTHOPAEDICS AND RELATED RESEARCH. Each reference must list all co-authors.

- **ALL TABULAR MATERIAL OR STATISTICAL DATA** must be in the form of clear tables, placed one to a page, at the end of the manuscript. Tables must be titled, numbered, and cited in the text in numerical order.

- **INCLUDE A SHEET OF LEGENDS DESCRIBING ILLUSTRATIONS.** A separate sheet of typed legends (captions) describing each illustration should be attached to the manuscript.

- **SEND THREE SETS OF BLACK AND WHITE GLOSSY PRINTS** approximately 5" x 7" for all figures, for reviewers' use. Original drawings and X-rays must be of professional quality and photographed as black and white glossy prints. Do not write on the face of illustrations; put as much information as possible in the legends. If arrows or letters are necessary, use a professional product such as Letraset or Paratype. Attach a label to the backs of illustrations indicating "top," figure number, and author's name, or enter this information lightly with a pencil.

Following are the subjects of Symposia to be published in forthcoming numbers:

Congenital Pseudarthroses of the Tibia

Operative Arthroscopy

in the text in numerical order. Submit the minimum number of figures and tables necessary to highlight the article. The publisher reserves the right to charge for illustrations and tables in excess of one page of illustrations, including tabular material, per four pages of printed text.

- **LETTERS OF PERMISSION** from the publisher of any borrowed illustration or table should be enclosed with the manuscript. Acknowledgment of the sources must also be included at the end of the legend for borrowed illustrations and as a footnote to the table of any borrowed tabular material.

- **SEND THE ORIGINAL TYPESCRIPT AND TWO DUPLICATES.** Manuscripts must be in English, typed double-spaced on the one side of 8½" x 11" paper with wide margins and pages numbered. Authors should retain copies of manuscripts and illustrations. Page 1 of the manuscript should be a cover (title) page listing the title of the article and authors' names and degrees, with footnotes including complete addresses and professional affiliations.

- **SEND A LETTER OF TRANSMITTAL SIGNED BY ALL AUTHORS** containing the following paragraph: "In consideration of CLINICAL ORTHOPAEDICS AND RELATED RESEARCH reviewing and editing my (our) submission, the author(s) undersigned hereby transfer(s), assign(s), or otherwise convey(s) all copyright ownership to CLINICAL ORTHOPAEDICS AND RELATED RESEARCH, and represent(s) that he(they) own(s) all rights in the material submitted. This assignment is to take effect only in the event that such work is published in CLINICAL ORTHOPAEDICS AND RELATED RESEARCH."

- **REPRINTS.** The publisher will provide each senior author, free of charge, with 50 reprints of his article. If additional reprints are desired, they may be ordered on the order form furnished with page proofs.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
