I. Request that Exhibits 2048, 2050, 2051, and 2052 be made public.

Exhibits 2048, 2050, 2051, and 2052 submitted with Patent Owner's Response of December 20, 2013 were uploaded to be viewable by "Parties and Board Only." Pursuant to the Board's February 3, 2014 (Paper 33) Order, Patent Owner was to file a motion to seal along with a protective order to seal Exhibits 2048, 2050, 2051, and 2052 that were uploaded as viewable by "Parties and Board Only." However, after further review of Exhibits 2048, 2050, 2051, and 2052, Patent Owner submits that these exhibits were incorrectly uploaded to be viewable by "Parties and Board Only." Thus, to the extent that Exhibits 2048, 2050, 2051, and 2052 contained any confidential information, Patent Owner hereby waives any claim to confidentiality and requests that Exhibits 2048, 2050, 2051, and 2052 henceforth be made viewable to the public. Patent Owner apologizes for any inconvenience.

Respectfully Submitted,
