IPR2013-00208  
Patent 8,251,997 B2

Pursuant to 37 C.F.R. § 42.10(c), the Board may recognize counsel *pro hac vice* during a proceeding upon a showing of good cause. In authorizing motions for *pro hac vice*, the Board requires the moving party to provide a statement of facts showing there is good cause for the Board to recognize counsel *pro hac vice* and an affidavit or declaration of the individual seeking to appear in this proceeding. “Notice”; Paper 3.

In its motion, NuVasive states that there is good cause for the Board to recognize Mr. Scherkenbach *pro hac vice* during this proceeding, because Mr. Scherkenbach is an experienced litigating attorney with an established familiarity with the subject matter at issue in the proceeding. In addition, the motion states that Mr. Scherkenbach is counsel for NuVasive in related litigation between Warsaw and NuVasive. Mr. Scherkenbach made a declaration attesting to, and explaining, these facts. Exhibit 1017. The declaration complies with the requirements set forth in the Notice.

Upon consideration, NuVasive has demonstrated that Mr. Scherkenbach has sufficient legal and technical qualifications to represent NuVasive in this proceeding. Moreover, the Board recognizes that there is a need for NuVasive to have its related litigation counsel involved in this proceeding. Accordingly, NuVasive has also established that there is good cause for admitting Mr. Scherkenbach.

Attention is directed to the Office’s Final Rule adopting new Rules of Professional Conduct. *See Changes to Representation of Others Before the United States Patent and Trademark Office*; Final Rule, 78 Fed. Reg. 20180 (Apr.

The changes set forth in that Final Rule including the USPTO's Rules of Professional Conduct took effect on May 3, 2013. Therefore, Mr. Scherkenbach is subject to the USPTO's Rules of Professional Conduct that took effect May 3, 2013.

It is
