ORDER
Conduct of Proceeding
37 C.F.R. § 42.5

A conference call was held on March 20, 2014, between counsel for the parties and Judges Medley, Petravick, and Zecher. Counsel for both parties jointly initiated the conference call to request that we reschedule the oral argument originally set for May 22, 2014 (i.e., Due Date 7 (Paper 17)). Counsel for both parties indicated that they are involved in related district court litigation in the Southern District of Texas and there is a hearing in the related district court litigation that is set for May 21 and 22, 2014. Counsel for both parties requested that Due Date 7 be rescheduled prior to May 22, 2014, preferably sometime during the first full week in May. Based on these facts and current status of this proceeding, the parties' joint request to reschedule the oral argument is granted, and Due Date 7, the date of the oral argument, is reset to May 8th, 2014.

ORDER

It is ORDERED that Due Date 7, the date of the oral argument, is reset to May 8th, 2014.
