Before SALLY C. MEDLEY, SCOTT R. BOALICK, and SCOTT E. KAMHOLZ,  
*Administrative Patent Judges.*

KAMHOLZ, *Administrative Patent Judge.*

ORDER  
Conduct of the Proceeding  
37 C.F.R. § 42.5

The initial conference call for this proceeding was held on September 12, 2013 between respective counsel for the parties and Judges Medley, Boalick, and Kamholz.

The parties filed lists of proposed motions. Papers 13 (Lifescan), 14 (Pharmatech). Each party indicated on the call that it has no present intention to file any of its proposed motions. The Board did not authorize any motions and reminded the parties to request a conference call with the Board to seek authorization before filing any motion not already authorized by rule or in the Scheduling Order (Paper 12). The Board reminded Lifescan that it must confer with the Board before filing a motion to amend the patent. *See* 37 C.F.R. § 42.121(a).

Accordingly, it is hereby

**ORDERED** that no motions are authorized other than those already authorized by rule or in the Scheduling Order; and

**FURTHER ORDERED** that the trial schedule remains as set in the Scheduling Order.
