Conduct of the Proceeding
37 C.F.R. § 42.5

A conference call was held on July 7, 2014, involving respective counsel for Petitioner and Patent Owner, and Judges Blankenship, Medley, and Clements.¹ The purpose of the call was for Petitioner to seek guidance as to how it may move to exclude evidence Patent Owner indicated it will file with its Motion for Observations, when the date for filing motions to exclude is the same as the date for filing motions for observations.

We proposed, and counsel for the respective parties agreed, to extend the time for filing motions to exclude to July 11, 2014. Accordingly, DUE DATE 4, regarding motions to exclude only, is extended to July 11, 2014. No other changes to DUE DATE 4, or any other remaining DUE DATE, is made.

It is

ORDERED that motions to exclude are due July 11, 2014.

¹ A court reporter was present. A copy of the transcript shall be filed as an exhibit when it becomes available.
