UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

SEQUENOM, INC.
Petitioner

v.

THE BOARD OF TRUSTEES OF
THE LELAND STANFORD JUNIOR UNIVERSITY
Patent Owner

Case IPR2013-00390
Patent 8,195,415

SEQUENOM'S NOTICE REGARDING PROPOSED MOTIONS

The initial conference call for this trial is set for January 6, 2014. Further to the Board's Decision (Paper 7; December 9, 2013) instituting an *inter partes* review of U.S. Patent 8,195,415 B2 and directing the parties to pages 48765-66 of the Office Patent Trial Practice Guide, 77 Fed. Reg. 48756 (Section (II)(E)), Sequenom gives notice that it proposes to file a motion pursuant to 37 C.F.R. § 42.10(c) for *pro hac vice* admission of Michael J. Malecek in this proceeding.

At this time, Sequenom is not aware of what amendments, if any, the Patent Owner may propose, what arguments the Patent Owner may make, or what evidence it may rely on, in support of the claims as issued or as amended. Sequenom will seek authorization from the Board, if required, should the need later arise for filing a motion. In addition, although motions for observations on cross-examination and motions to exclude evidence are automatically authorized by the Board, Sequenom identifies such motions to preserve its right to file them.

Respectfully submitted,

Dated: January 2, 2014
