A conference call with the Board was held at 2:00 pm Eastern Time on January 9, 2014 between respective counsel for the parties and Judges Bisk and Weatherly. Petitioner requested the call to discuss patent owner's submission of, and reliance on, excerpts of deposition testimony in its preliminary responses. That testimony was taken in a related litigation subsequent to the filing of the petition.

On the call, petitioner requested permission to file additional excerpts from those deposition transcripts along with a reply. Patent Owner objected. Petitioner is authorized to file complete versions of the transcriptions of the depositions in question. However, no additional briefing will be permitted at this time.
