CUSTOMER REVIEWS

"Love them. Not only are they comfortable & provide support, they keep your belly looking smooth for the best pregnancy look!" - Rita

"The Secret Fit Belly is all I wear! It keeps me comfortable and stylish throughout my entire pregnancy. It's a wonderful invention!" - Laura

"It doesn't hurt!!! The regular pants with or without elastic or even stretch pants hurt so I LOVE LOVE LOVE my secret fit belly clothes. I bought a skirt, jeans, shorts, and pants." - Brandi

"I LOVE the Secret Fit Belly! the material is so much thinner, especially in these hot summer months... I'm not sweating all the time wearing them!" - Traci

"They are comfy and affordable! I love them and my kids get a kick out of them as well...they always say "are you wearing your secret pants?"..." - Vicki

"I wish these were out 5 years ago with my other pregnancy! I love them! I like to show off my little bump that is just starting to show and these do it perfectly and don't have a huge bunching of fabric like other brands. And the fact that I can wear them after the baby as I get back to my size is even better. No one will know I'm still wearing maternity clothes :)" - Lisa
