UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

WINTEK CORPORATION
Petitioner

v.

TPK TOUCH SOLUTIONS INC.
Patent Owner

Case IPR2013-00567
Patent 8,217,902

**UPDATED PETITIONER'S MANDATORY NOTICES
PURSUANT TO 37 C.F.R. § 42.8**

Wintek, the Petitioner, provides the following updated mandatory notices pursuant to 37 C.F.R. § 42.8.

I. Real Party-in-Interest

Pursuant to 37 C.F.R. § 42.8(b)(1), the real party-in-interest is Wintek Corporation.

II. Related Matters

An *ex parte* reexamination request (Control No. 90/012,869) for the '902 patent was filed on May 17, 2013, which the U.S. Patent and Trademark Office ("Office") granted on June 20, 2013. That reexamination request involved some of the same prior art at issue in this Petition and is now currently stayed pending resolution of this proceeding and IPR2013-00568. Exhibit 1003 previously submitted is a copy of the reexamination request. Previously submitted Exhibit 1004 is a copy of the Office's order granting reexamination. Petitioner also filed concurrently with this petition another petition for *inter partes* review of the '902 patent, captioned IPR2013-00568. *Inter partes* review was granted in that matter, which is currently on the same schedule as this trial. Petitioner also filed a third petition for *inter partes* review of the '902 patent to address four dependent claims and a motion for joinder. *Inter partes* review was granted in that matter, captioned IPR2014-00541. The Board also granted Petitioner's motion to join the IPR2014-00541 matter with this proceeding, and concurrently terminated the

IPR2014-00541 proceeding.

Additionally, the Patent Owner has asserted the '902 patent against the Petitioner in a patent infringement litigation filed on May 15, 2013 in the Northern District of California (case no. 3:13-cv-2218). That litigation remains pending. To the Petitioner's knowledge, the '902 patent has not been subject to any post grant reviews or any other *inter partes* reviews.

III. Lead and Back-Up Counsel and Service Information

In accordance with 37 C.F.R. § 42.8(b)(3) and (b)(4), Petitioner identifies below updated lead and back-up counsel and service information. Prior back-up counsel Naveen Modi is replaced with Abhay A. Watwe. Petitioner submits herewith a power of attorney appointing Mr. Watwe as Wintek's attorney associated with this *inter partes* review of the '902 patent.
