BEFORE THE PATENT TRIAL AND APPEAL BOARD

ZOLL LIFECOR CORPORATION
Appellant,

v.

MICHELLE K. LEE, Deputy Director, United States
Patent and Trademark Office,

and

PHILIPS ELECTRONICS NORTH AMERICA CORPORATION
Patent Owner-Appellee

Case IPR2013-00616
Patent 5,749,905

**NOTICE OF APPEAL TO THE UNITED STATES COURT OF APPEALS
FOR THE FEDERAL CIRCUIT BY ZOLL LIFECOR CORPORATION**

Notice is hereby given that Petitioner, ZOLL LIFECOR CORPORATION (“ZOLL LIFECOR”) hereby appeals to the United States Court of Appeals for the Federal Circuit for the instant matter, Case IPR2013-00616, ZOLL LIFECOR CORPORATION v. PHILIPS ELECTRONICS NORTH AMERICA CORPORATION.

ZOLL LIFECOR appeals the decision denying Institution of Inter Partes Review, paper 17, entered March 20, 2014, by the Patent Trials and Appeals Board. The appellee is the United States Patent and Trademark Office as represented by Deputy Director, Michelle K. Lee. Jurisdiction for the appeal is founded at least upon two wholly separate bases:

- 28 U.S.C. § 1295(a)(4)(A) (granting the Federal Circuit jurisdiction “with respect to a patent application, derivation proceeding, reexamination, post-grant review, or *inter partes* review under title 35), alone or in combination with 35 U.S.C. §§ 311 (establishing *inter partes* review under title 35), 312 (governing requirements for naming real party in interest), and 315 (governing requirements for *inter partes* review to be filed within “1 year after the date on which the petitioner, real party in interest, or privy of the petitioner is served with a complaint alleging infringement of the patent.”)).

- 28 U.S.C. § 1295(a)(4)(A) and 35 U.S.C. § 314 (governing authorization of review based on “a reasonable likelihood that the petitioner would prevail with respect to at least one of the claims challenged in the petition”). ZOLL LIFECOR recognizes that this latter basis for jurisdiction is presently foreclosed by the panel decision in *St. Jude Med., Cardiology Div., Inc. v. Volcano Corp.*, --- F.3d ---, 2014 WL 1623676 (Fed. Cir. Apr. 24, 2014), and has identified the basis for jurisdiction in order to preserve the issue for later review.

ZOLL LIFECOR also appeals all other opinions, orders, findings, or rulings prior to, during, or after the final decision, including but not limited to the denial of the Institution of *Inter Partes Review*.

Respectfully submitted,

Date: May 21, 2014
