I, Stephen Gray, declare as follows:

1. I have been retained by Mayer Brown, LLP on behalf of Petitioner Google Inc.(“Google”) as an independent expert for the above-captioned *inter partes* review proceeding (IPR2014-00031) and two other *inter partes* review proceedings involving Google (IPR2014-00033 and IPR2014-00038).
2. I provided a Declaration in support of Google’s Petition filed with the Patent Trial and Appeal Board on October 7, 2013.
3. I understand that Patent Owner B.E. Technology, LLC (“B.E. Tech”) filed a Response to Google’s Petition on July 9, 2014 in all three *inter partes* review proceedings (IPR2014-00031, IPR2014-00033, and IPR2014-00038).
4. In its Responses, B.E. Tech takes the position that the Declarations I have previously provided are not sufficient because they are without an oath or affidavit under 37 C.F.R. § 1.68 or 28 U.S.C. § 1746.
5. I hereby declare that the statements made in my October 7, 2013, Declaration, as well as the testimony I provided during my depositions on June 25-26, 2014, in these *inter partes* review proceedings (IPR2014-00031, IPR2014-00033, and IPR2014-00038), made of my own knowledge are true and that all statements and testimony made on information are believed to be true.

I declare under penalty of perjury that the foregoing is true and correct.
