BEFORE THE PATENT TRIAL AND APPEAL BOARD

MEDTRONIC, INC. and MEDTRONIC VASCULAR, INC.,
Petitioner,

v.

ENDOTACH LLC,
Patent Owner.

Case IPR2014-00100
Patent 5,593,417

Before JACQUELINE WRIGHT BONILLA and HYUN J. JUNG,
Administrative Patent Judges.

BONILLA, *Administrative Patent Judge.*

ORDER
Conduct of the Proceeding
37 C.F.R. § 42.5

Patent Owner seeks authorization to file a revised errata sheet for the transcript of the deposition of its witness, James Silver, Ph.D., which occurred on August 28, 2014. Patent Owner attached the proposed revised errata sheet to an October 3, 2014, e-mail to the Board. Patent Owner seeks this authorization as a follow-up to our Order (Paper 36) denying Patent Owner authorization to file an earlier version of the errata sheet containing “clarifications” that appeared designed to reflect unstated testimony by Dr. Silver.

Patent Owner’s recent e-mail indicates that Petitioner does not oppose the filing of the proposed revised errata sheet. We have reviewed the proposed document, and authorize Patent Owner to file the revised errata sheet attached to its October 3, 2014, e-mail.

Accordingly, it is

ORDERED that Patent Owner’s request to file the proposed revised errata sheet is granted.
