Case IPR2014-00171
Patent 6,502,135

Patent Owner's Requests for Production to Apple, Inc.

VIRNETX EXHIBIT 2025

Patent Owner VirnetX Inc. requests that Apple, Inc. respond and produce the following documents and things.

INSTRUCTIONS

In responding to and producing documents and things responsive to these requests, please comply with the instructions in the Office Patent Trial Practice Guide.

1. Please timely amend your responses if you learn that your response is incomplete or additional responsive information is found.
2. All documents must be produced as they are kept in the usual course of business, in the files or containers in which the responsive documents are maintained, and in the order within each file or container in which such documents are maintained; or all documents shall be organized and labeled to correspond with the requests below.
3. Identify any responsive documents and things you are aware of but cannot produce because they have been lost or destroyed or are no longer in your possession and the reason you cannot produce them.
4. If, in answering these requests, you encounter any ambiguities when construing a request, instruction, or definition, your response shall set forth the matter deemed ambiguous and the construction used in responding.

5. For any document or thing withheld based upon a claim of privilege, please identify the ground of the asserted privilege and provide a privilege log according to the requirements of Federal Rule of Civil Procedure 26.

DEFINITIONS

1. The terms “document” and “thing” have the broadest meaning prescribed in Federal Rule of Civil Procedure 34, including ESI and any physical specimen or tangible item, in your possession, custody, or control.
