FEE FOR CORRECTED PETITION FOR INTER PARTES REVIEW

I. FEE FOR INTER PARTES REVIEW

The Corrected Petition for Inter Partes Review for IPR2014-00176 (Paper No. 4) adds two additional claims to the total number of challenged claims. The result is that the Corrected Petition challenges 22 claims, rather than the 20 claims identified in the originally filed Petition. Petitioner understands that claims challenged in excess of 20 incur additional expenses. The Director is authorized to charge any additional fees specified by 37 CFR § 42.15(a) to Deposit Account No. 20-0780 as a result of the Corrected Petition.
