1 CONFERENCE CALL

2 THE COURT: This is the conference  
3 call IPR 2014/00191 IPR 2014/00321 and IPR  
4 2014/00354.

5 Can I go ahead and take a roll call  
6 and see who's online. Let's start with the  
7 petitioners for the 191 and the 321 case.

8 MR. LINDER: Hi, this is Walter  
9 Linder for Zimmer on the 191 and 321 cases.  
10 With me I got backup counsel Dan Lechleiter  
11 and also Naveen Modi. Mr. Modi will be  
12 speaking today on behalf of Zimmer for  
13 those two IPRs.

14 THE COURT: Is Mr. Modi an attorney  
15 of record in this proceeding?

16 MR. LINDER: He is, we just filed  
17 the power of attorney and the notice this  
18 morning.

19 THE COURT: Okay. So he's listed as  
20 backup?

21 MR. LINDER: Correct.

22 THE COURT: Okay. Can I verify the  
23 patent owner is on the line here.

24 MR. KAPPEL: Yes, this is Cary  
25 Kappel, counsel for patent owner.

## 1 CONFERENCE CALL

2 THE COURT: Okay. Just you today,  
3 Mr. Kappel?

4 MR. KAPPEL: Yes, sir.

5 THE COURT: The petitioner for the  
6 354, do we have them on the line.

7 MR. APICELLI: Yes, your Honor, this  
8 is Sam Apicelli on behalf of Wright Medical  
9 and with me is backup counsel Jerrad  
10 Gunther.

11 THE COURT: As a preliminary matter  
12 real quick we received an e-mail from  
13 Mr. Lechleiter indicating that Zimmer  
14 petitioner is going to have a court  
15 reporter on the line, is that still true?

16 MR. LECHLEITER: Yes, your Honor,  
17 this is Dan Lechleiter for Zimmer. I  
18 believe the court reporter is on the line.  
19 We wanted to verify with the board that the  
20 board didn't have an objection to that  
21 before we continue.

22 THE COURT: No, we don't. We just  
23 ask that you make the transcript readily  
24 available to all parties involved, so after  
25 this call is concluded, and you get the

## 1 CONFERENCE CALL

2 transcript from the court reporter, you can  
3 file it into the record as an exhibit, we  
4 would appreciate it.

5 MR. LECHLEITER: Your honor, we will  
6 do that, thank you.

7 THE COURT: Okay. Let's start with  
8 the 354 IPR because I believe we can  
9 dispose of that relatively quickly.

10 As the parties are well aware we had  
11 a conference call last week for a motion on  
12 joinder, which we granted. A decision on  
13 that will be entered into the record at the  
14 close of business today, so given that IPR  
15 is going to be joined with 69 IPR, I don't  
16 believe we have anything else to discuss,  
17 but if there are some issues from the  
18 parties, why don't we go ahead and get  
19 those out of the way now.

20 Petitioner for 354, do you have  
21 anymore you would like to discuss with  
22 respect to that case?

23 MR. APICELLI: We have no issues to  
24 discuss today.

25 THE COURT: Okay. Patent owner.

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

## LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

## FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

## E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
